\*Revenue ton is calculated by determining the highest revenue earned by the rate per 1000 kg (gross actual weight) or 2.5 cubic metres (extreme outer dimensions) per unit of cargo.

All cargo received must be unitized, forklift ready, and packaged for ocean transport. All pieces of cargo must be clearly marked indicating the shipper, consignee, unloading port, booking number, weight in kilograms, and volume in cubic metres. An extra charge will apply to shipments not properly labelled.

Minimum charge per unit of cargo is \$66.83

HNS (dangerous goods) cargo - a premium of 10% will be added to the base rate, plus \$100.00 administration/documentation fee per shipment

All rates are quoted from NTCL facility in Hay River to/from beach high water mark in the communities.
